wearencs.com

NCS has been delivering programmes to Young People in England since its pilot programme back in 2009. Designed specially for 16- and 17-year-olds, the NCS experience will give you a clearer idea of what you want from your future. We'll help you realise that big, exciting things can come from feeling a little bit overwhelmed. We have 4 different NCS programmes in the summer months:

- 12th July (3 week programme including 1 week away residential)
- 26th July (3 week programme including 1 week away residential)
- 9th August (2 week programme - non residential)
- 16th August (2 week programme - non residential)

The local NCS Team will be the ones meticulously planning every little detail to make each experience one to remember, for further details contact:

NCS: ncs@tigerstrust.co.uk / 07719 968131

Summer Learning Support | Oak National Academy (thenational.academy)

Here's what's coming from 7th June - brand new tools and resources to support your work over summer:

- Priority units and lessons for EYFS-Y11 identified in English, Maths, Science, Geography and History to help prepare students for the next academic year
- Newly designed unit quizzes as a formative tool to help identify gaps in knowledge
- A dedicated Summer Classroom and Summer Teacher Hub to make delivering targeted support

straightforward

- Creative, active and mental health resources from a range of partner organisations, signposting students to vital well-being support

<https://www.thenational.academy/summer-learning-support>

Springpod.co.uk

<https://nationalcareers.service.gov.uk/find-a-course/the-skills-toolkit>

Follow this link to free courses to help you learn new skills. Many of the courses are certificated and they cover a wide range of interest areas. There are practical skills and courses in addition to courses covering personal growth and well-being.

<http://www.hull.gov.uk/education-and-schools/training/connexions>

Connexions helps young people in Hull aged 13 to 19 to make informed choices about their education, training and employment. They also help you find appropriate opportunities and support young people with learning difficulties or those who have disabilities up to the age of 25.

They offer -

- impartial advice and information about apprenticeships, traineeships and college courses
 - careers guidance with fully qualified advisers
 - information and support on financial matters including benefits and bursaries
 - help with making applications for jobs, training and education
 - advice for tackling barriers to learning
-
